

EUMETSAT ROM SAF PRODUCTS LICENCE

All intellectual property rights of the ROM SAF products belong to EUMETSAT

The use of these products is granted to every interested user, free of charge. If you wish to use these products, EUMETSAT's copyright credit must be shown by displaying the words "copyright (year) EUMETSAT" on each of the products used.

Acknowledgement

When exploiting EUMETSAT ROM SAF data you are kindly requested to acknowledge this contribution accordingly and make reference to the ROM SAF, e.g., by stating "The work performed was done (i.a.) by using data from EUMETSAT's Satellite Application Facility on Radio Occultation Meteorology (ROM SAF)". It is highly recommended to clearly identify the product version used.

Citation

ROM SAF CDR (v1.0) product:

- Gleisner, Hans, Lauritsen, Kent B., Nielsen, Johannes K., and Syndergaard, Stig: ROM SAF Radio Occultation Climate Data Record v1.0, GRM-29-R1 (2019); DOI:10.15770/EUM_SAF_GRM_0002, https://doi.org/10.15770/EUM_SAF_GRM_0002

ROM SAF ICDR (v1 series) product:

- Gleisner, Hans, Lauritsen, Kent B., Nielsen, Johannes K., and Syndergaard, Stig: ROM SAF Radio Occultation Interim Climate Data Record v1 series, GRM-29-I1 (2019); DOI:10.15770/EUM_SAF_GRM_0006, https://doi.org/10.15770/EUM_SAF_GRM_0006
